

Type YKY-5B, 6, YBS-6 Strainer

These are Y and U-type strainers of bronze screw type. They are compact and have a large filtering area, and thus are optimal strainers for an automatic valve line.

Type YKY-5B

Type YKY-6

Type YBS-6

■ Specifications

Type		YKY-5B	YKY-6	YBS-6(Stop compound valve)
Applicable fluid		Liquid		
Applicable pressure		Maximum 10 kgf/cm ² g		
Fluid temperature		220° C below		
End connection		KS PT SCREW		
Materials	Body	BC6	BsC1	BsC1
	Cover	C3771	C3771	C3771
	Screen	STS		
Hydraulic test pressure		20 kgf/cm ² g
